Dear Jack:

I discussed the attached with [redacted] 25X1A who stated that a simple and effective way of handling it would be to ask you to drop by and discuss the capabilities of the Company directly with [redacted] 25X1A —also to look over the physical facilities to assess their suitability for Agency utilization.

Please address the reply directly to the Office of greatest interest here with a drop copy to me.

We all send our best regards and appreciation for handling this.

Very truly yours,

25X1A [redacted]
